

# Certificate Of Analysis

Issued To  
**Kingston E-liquid**

## Sample Details:

|               |                     |                         |             |
|---------------|---------------------|-------------------------|-------------|
| Product Type: | Cannabidiol Isolate | Certificate Number:     | 210138CC    |
| Product Name: | Cannabidiol Isolate | Test Date:              | 01 May 2025 |
| Batch Number: | 210138CC            | Certificate Issue Date: | 01 May 2025 |

|               |                      |                         |                    |
|---------------|----------------------|-------------------------|--------------------|
| Product Type: | Cannabigerol Isolate | Certificate Number:     | 2203CSALA9716.5942 |
| Product Name: | Cannabigerol Isolate | Test Date:              | 01 May 2025        |
| Batch Number: | 220000CCBG           | Certificate Issue Date: | 01 May 2025        |

## Method:

LOQ of 0.03% w/w for related cannabinoids\*

\*Testing performed by KCA Laboratories

## Analytical Tests:

| Test             | Specification                                    | Result       |
|------------------|--------------------------------------------------|--------------|
| Appearance       | White, crystalline powder free from particulates | Complies     |
| THC (%w/w)       | ≤0.054 %w/w                                      | Not Detected |
| THCA (%w/w)      | ≤ Limit of Quantification                        | Not Detected |
| Total THC (%w/w) | ≤0.054 %w/w                                      | Not Detected |

However, the recommendations or suggestions hereon shall not be construed as a warranty or representation as to the results, safety and efficacy. Users should always make their own evaluations and tests suitable for their particular needs. We cannot be held liable for any loss or damage arising from the use of the information hereon.

# Certificate Of Analysis

Issued To  
**Kingston E-liquid**

## Sample Details:

|               |                                |                         |             |
|---------------|--------------------------------|-------------------------|-------------|
| Product Type: | CBD/CBG                        | Certificate Number:     | COA 2022032 |
| Product Name: | Pink Lemonade 450mg<br>CBD/CBG | Test Date:              | 01 May 2025 |
| Batch Number: | 09R22                          | Certificate Issue Date: | 01 May 2025 |

## Method:

All analyses were performed using in house method "Quantitative Analysis of Cannabinoids by LC-UV" (LC003).  
Sampling is excluded and is the responsibility of the supplier

## Analytical Tests:

| Test               | Specification                                              | Result   |
|--------------------|------------------------------------------------------------|----------|
| Appearance         | Clear or opaque liquid free from extraneous material       | Complies |
| Olfactory/Flavour  | Flavour/Odour complies to label claim                      | Complies |
| Label Conformation | Label correctly details batch number, flavour and strength | Complies |
| CBD Assay Result   | Label value $\pm$ 10%                                      | 270mg    |
| CBG Assay Result   | Label value $\pm$ 10%                                      | 179mg    |
| Total Cannabinoids | Label value $\pm$ 10%                                      | 449mg    |
